Executive and Director Positions

We have a few positions on the Executive Board that we need to fill in order to effectively oversee the Club Operations. We ask that you consider joining the team or recommending the opportunity to others. While we prefer the Executive and Directors be the active members of our Club, we will consider volunteers from the general public. The commitment for these roles is a few hours per month and we have past members that are more than happy to assist with teaching the roles and duties of the positions. Please email the Club for more information on these Board positions at federationskating@gmail.com .

Below is the list of the available positions:

- **Vice President**
- **Test Chair**
- **AGM Coordinator**

From the Executive, Directors and Coaches at the Federation Skating Club, we thank you for your continued support and participation of the Club. **Happy & Safe Holidays!!**
